Angelina has always been a sexual animal. When asked what she wanted in a man, she said 'a big and ultra-hard cock that I can suck and fuck until it cums all over me.' Fortunately for her, there's Tony that fits the bill, and her pussy, perfectly! And we thank you.

I want to make my guy happy, but I'm not into swallowing cum. I gag at the taste and texture of it and it's bit of a turn-off. But I love to take a big hit on my ass. It's good for the skin, and I rub it all in. Guys don't mind because they like to watch me do it .

Girly Gobbling

I'm 40 years old, and my wife is 35. As I was sitting there waiting for my beautiful wife to get home, I was watching television and thinking of her. She is 5'1" tall, with dark black hair and a 36-24-34 figure.

I had my 9" cock in my hand stroking it, just thinking about Vicki's freshly shaven pussy. She loves her pussy shaved clean, so when I fuck her my pubic hair tickles her clit. I was on the verge of coming when Vicki and Tiffany walked in. My wife hadn't told me she was bringing her best friend home.

Tiffany has been Vicki's best friend since junior high. She is 5'5" tall with a 34-24-36 figure with bright red hair. Both women are beautiful and gave me a hard-on that wouldn't quit. Vicki was calling my name as they walked in. I was so turned on with my thoughts and my hand bouncing up and down my shaft, I didn't hear them come in.

Tiffany was the first to walk in on me stroking my pulsating cock. Vicki had stopped in the kitchen to grab the wine and continued into the family room. Tiffany stood in the doorway in amazement watching me stroke.

As pre-cum started dripping down the swollen head of my cock, she got so excited, she lifted up her miniskirt and ripped off her thong panties. Tiffany's pussy was dripping wet with her own juice. She started fingering her clit with one hand and shoved two fingers up her wanting pussy.

My wife walked into the room and dropped the bottle of wine. When it hit the floor, the bottle shattered and caught my full attention. Vicki stood there watching me jacking my cock and her best friend doing herself.

My wife couldn't control her excitement

and dropped to her knees and took control of Tiffany's pussy. As I watched the dream scene come true right in front of me, I could not move. As I watched Vicki go to town on Tiffany's soaked pussy-lips, I could tell she was clean shaven too. My wife had planned this night and told her to shave. As I sat on the couch watching the lesbian act in front of me, I couldn't control it anymore and shot my cum like a rocket.

When I came to my senses, Tiffany had her fingernails jammed into the woodwork as an orgasm ripped through her body and her juices flowed onto my wife's face. Vicki was trying to lap it all up but some juice squirted down her chin and all over her chest.

I got up from the couch and couldn't get my clothes off fast enough. As I walked up to the women, they didn't notice me. My cock was rock hard again as I watched the two girls go at it like they had been lovers. I started stripping Tiffany's clothes off to get a view of her sexy body in its full nakedness.

I started licking Tiffany's small breasts when Vicki stood up and literally ripped her clothes into rags trying to get them off. When Vicki was completely naked, Tiffany moved down to my cock, followed by Vicki. They shared my cock with their mouths until Tiffany started licking down Vicki's body.

Tiffany stopped when she reached my wife's swollen clit. Vicki went into convulsions as her best friend sucked her off until she

40+ #06

40+: Hello Alexis. I've been dying to say that for a long time now. You look absolutely fabulous. You didn't have to dress up to meet with me.

Alexis: I didn't, I have a date afterwards. (giggles)

40+: Well then I better get right to it. I don't want to keep you from your rendezvous.

Alexis: Okay, what's up with me?

reached an orgasm. My fingers were rubbing Tiffany's pussy and ass as she sucked the life out of my wife's sopping wet pussy.

As my wife went into the best orgasm of her life, Tiffany started rubbing her ass into my hand. I started pumping my cock into my wife's mouth. We all dropped to the floor as we went into the best orgasm in the world.

We lay there in ecstasy, wondering what was going to happen next. Tiffany straddled my face and dropped to my cock with her mouth. She started humping my face as she started sucking my limp cock to get it to its full hardness again. She was like a tiger eating its prey.

As my wife watched in amazement, she was ramming her fist up her sopping wet pussy. When my cock was hard again, both girls got up on their hands and knees with their asses in my face begging me to fuck their pussies.

They were swaying their asses back and forth as they spread their pussy-lips apart to show off the prettiest pussies in the

of hookers until they each came again. I was on the verge of coming all over my wife's ass when she told me to hold it. They twisted around until they were facing me and started begging me to come on their necks. The smell of wet cum-soaked pussy and ecstasy in the room put me over the edge. My spunk went all over them. They tried to lick it up.

We lay there until morning. The two girls agreed to do this more often. I prayed for the same thing.

Double Dicked

I've never written to you before, but I've read a lot of your magazines. I am in my late twenties and have been married for 11 years. I am a housewife and my husband works days.

It was around October a year ago that my husband and I went to a party held by the guys he worked for. It was at

a local pizza place. I knew everybody there. As we ate pizza and drank our beer, I began to wonder how big my husband's best friend's dick was.

After an hour or so, we left and went to the bar to play pool. That's where it all started.

Of course by now we were all pretty

40+: Yes. You and your sex career.

Alexis: So, I got into the game really late in life. I was already 35 by the time I started working in the business. Now, it's been more than ten years sucking, licking and fucking on camera and I've enjoyed every minute of it!

40+: Yes, indeed, I see that you've been a really busy lady.

Alexis: Busy? Very! I like it that way. Think about it, and I'm sure you have, what other profession can one choose to be pampered for a couple hours, then have whatever kind of sex I want? Wouldn't you? I think so!

world. I jammed my cock into Tiffany's soaking wet pussy first. As I fucked my wife's best friend, she was rubbing her clit and started ramming back to meet my thrusts. Vicki was prancing all over, wanting me to slide my throbbing cock into her.

I fucked them both like they were a couple

toasted. I suggested to my husband it was time to go. No problem, he said but we had to take Joe to get his truck.

On the way to take Joe to his truck, my husband asked me if I would give them both head, so I started sucking my husband's dick, which is 10 inches long and about three inches around.

By this time, we were at Joe's truck. My husband said, "Joe's turn." I turned to suck his dick, and I couldn't believe my eyes; it was just as big as my husband's. I started sucking him off, and my husband, Larry, pulled my pants down and started licking on my already-wet pussy.

The two guys took turns licking my pussy as I sucked their dicks off. This went on for about two and a half hours. I was so horny, I told both guys I wanted them to fuck me at the same time. I've never done this before. I told Joe my husband recently popped my ass cherry, and it felt so good I wanted him to fuck my ass.

Larry lay on the ground. His dick was harder than I had ever seen it. I started to sit on his dick. I told Joe to wait a minute so I could get my ass hole wet.

After fucking Larry for a few minutes, I got up off him. My pussy was dripping wet, so I took my fingers to my dripping pussy and rubbed my juices all over my ass hole to lube it up.

I was so horny, I didn't realize I had started finger-fucking my own pussy and ass. When I realized what I was doing, it turned Larry and Joe on so much they were both raging hard and couldn't wait to do me. I couldn't believe my eyes. I never thought either of these guys could get even larger.

I told them I was going to get in the middle and take over stroking them. I wanted to see them come on my boobs and face. After a couple of minutes of pumping their cocks, they squirted cum all over me.

The guys stood up and said that it had felt great. I told them to sit back down; I was

going to put on a show for them. I went to my car and came back with a dildo Larry and I had purchased early that day. Joe couldn't believe how big it was. It was about three times my husband's size and on a stand.

I straddled the big dildo. As I fucked it, I played with my wet pussy. After about five minutes of doing this, I screamed with joy as I came all over it. I took it out of my pussy and started to suck my juice off it.

After I was done, I told Joe and Larry I was now going to suck them off, so they better be ready to cum again.

After they both had taken a few minutes to recuperate, I started sucking their dicks to get them hard again. When they got rock hard, I got up and sat on my husband's dick and started to ride him. Joe slid his pulsating dick in my ass. As my husband fucked my sloppy wet pussy, Joe fucked my ass. Joe shot his wad in my ass; his cum dripping down all over us.

I kept humping the hell out of Larry, and by now Joe was sticking his semi-hard dick back into my gaping ass hole. I started to scream with ecstasy as Larry and I started to orgasm all over each other.

After that we were so tired that I rolled over to catch my breath. When I turned back to the guys, they were asleep already. I was still a bit horny, so I began to diddle myself some more until I came for the last time.

After that night, we made sure we got together to do this more often. Next time maybe we could get Joe's wife to come with us.

[Name withheld] Arizona

40+: *Is it men or women for you?*

Alexis: *It's both. I like fucking them equally, and together. I've always been one to share. As a matter of fact I'm doing less one-on-one scenes and more multiples. They are almost always more fun.*

40+: *Are you doing that tonight?*

Alexis: *(laughs)* NO! Actually, I'm doing a one-on-one. I'll tell you all about it! *(laughs)*

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 10170 W. Tropicana Ave. #156-168, Las Vegas, NV 89147. DORY & SAM

Dory says she's is a late bloomer. She lost her virginity at 25, kissed her first girl at 30, had her first 3-way at 40 and her first anal at 41, she tells us and who are we to doubt her. With hippie parents of the late Sixties, she was always around free sex. Now it's something she does all the time.

the slut on the other side of the wall drove Rachel into her best friend's bed... and a new bi lifestyle!

Carol and I were upstanding young Southern belles, so we were unprepared for living next door to Dana, Criswell Hall's biggest slut. Each night our sleep was interrupted by her cries of joy. "God yeah, give me that cock!" and "Work my pussy, baby! Yeah, work that pussy!" cut through the thin walls like a hot knife, leaving us bleary-eyed every morning at our classes.

At first, we didn't know which was worse, getting our sleep interrupted or feeling embarrassed by what we were listening to, but either way we were very unhappy about having that little tramp next door to us. But as my mama always told me, every cloud has a silver lining. Thanks to Dana, Carol and I have discovered a neat new world!

The night of the homecoming game, Dana had yet another football player in her room, and as usual they were fucking like hound dogs in heat. Her bed banged against the wall with each of his thrusts, rapping in time with her loud groans as he had his way with her. I had the worst of it. Since my bed was on the common wall I shared with Dana, there was no way I was going to get to sleep! Finally Carol suggested I get into her bed.

"This is neat!" she said as I crept under the covers with her. "It'll be just like those slumber parties we used to have!"

Carol is always cheerful, even when she's got a screaming slut for a next-door neighbor. That's why we've been friends for as far back as I can remember. We're true opposites. With her slender figure, long blonde hair, and pale skin, Carol looks almost like a porcelain doll. I was always chubby until I turned 18, just a few

months ago; then my baby fat metamorphosed into something much more attractive. While my firm curves and jiggling 34D breasts were starting to get me noticed on campus, I was still envious of Carol's good looks and her extroverted personality.

"Yeah! Give me that cock! Give me that big hard cock!" Dana suddenly yelled on the other side of the wall.

"Now, that is not like our old slumber parties. That is so disgusting," I said. The football player began pumping harder, and Dana's bed-springs squealed as loudly as she did. I tried to ignore the dampness in my crotch.

"Totally," Carol said, as she pressed her body against mine. "She is such a slut."

"Oh god, baby, it feels so good. Oh yeah ohhhhhh..."

"You shouldn't be listening to this," Carol said, laughing as she covered my ears. "You're still a virgin." I could feel her hard nipples through the sheer fabric of her negligee. I nestled back against her, the touch of her breasts against my back making my pussy even wetter. When she moved her hand away from my face and brushed against my breasts, I realized that my nipples were just as hard as hers.

"Yeah, fuck me harder, baby, fuck me harder."

"It sounds like she's having fun."

I gasped, giggling. "Carol!"

"My last boyfriend couldn't go longer than three strokes without coming. At least it sounds like this guy knows how to fuck."

I blushed. "You mean you've...done it?"

Carol shrugged. "It was no big deal, Rachel.

I could feel her hard nipples through the sheer fabric of her negligee. I nestled back against her, the touch of her breasts against my back making my pussy even wetter.

It wasn't even that good. I get more satisfaction out of playing with myself."

I giggled again. "You are so bad, Carol."

She ran her hand gently over my breast. "I know you like to play with yourself. I've heard you rubbing your pussy plenty of nights."

I went from red to crimson. "Carol!"

"It's okay. Everybody does it." She tweaked my nipple between her fingers. "It feels good, doesn't it?"

I bit my lip to keep from crying out with pleasure as Carol played with my nipple.

"Yeah! Fuck me, baby! Fuck me!" Dana yelled. Her boyfriend grunted something in reply as Carol's other hand found its way between my legs.

"Doesn't it feel good when you stroke your clit?"

She reached inside my blue cotton panties and gently tickled my glistening pearl with her fingertip. I purred with the waves of pleasure and snuggled against her as Dana yelled, "Pound my pussy! Pound my pussy!"

"My last boyfriend would poke around all over the place, but he could never find my clit. I was like, 'Excuse me? How could you not see my clit?'" She pressed her finger between the folds of my furry crevice, stimulating the lips and then running up to my swollen love bud. "You never have any problem with finding your clit, do you, Rachel?"

"No," I said, shuddering at the sensation of my best friend's finger rubbing my virgin pussy. Nobody had ever touched me there, no one but myself. All my upbringing said I should stop her. Of course, my upbringing hadn't stopped me from playing with myself—and her finger felt so much better down there than mine did. So instead of following my conscience, I closed my eyes and lay motionless as she pulled down my dripping panties.

"Ohhhhh! Yeah! Ohhhhh!" Dana groaned. I barely heard her. The only thing on my mind was Carol's hand as she traced the outline of my pussy-lips with her fingertip, then slid one finger into my sopping wet hole.

"Yea...yeah..." I whispered between clenched teeth, my hips rocking as Carol gently fucked me with her hand. My pussy clenched vise-like around her; I could feel the outline of every inch of her finger as she tickled my G-spot.

"Yes, god, yes! Yes!"

This time it wasn't Dana screaming; it was me. Carol kissed my ear as she pressed on my clit with her thumb. I turned to meet her face, and our lips touched. Before this, my only other kiss had come from my geeky prom date. Where

he had been rough and clumsy, Carol was gentle. Her mouth felt soft against mine as her lips brushed against my chin. He had tried to thrust his tongue in my mouth immediately; Carol gently parted my lips, teasing my mouth with the tip of her tongue as she continued finger-fucking me.

"You like that, don't you?"

Carol pulled up my bunny T-shirt to reveal my newly curvy body. I ran my fingers through her long, soft blonde hair as she nibbled at my breasts.

"You have such nice boobs, Rachel," Carol said between kisses. "I've wanted to do this since summer camp."

"Really?"

In response, she took my rosy nipples in her mouth and teased them with her teeth. My geeky prom date had pawed me till he left bruises and tore my favorite bra. Carol, on the other hand, knew exactly where to touch me to make me feel good. Her mouth felt so nice as she licked my nipples, flicking them with the tip of her tongue and then running a trail of sharp, hard kisses about the full,

flushed areolae and over the soft white skin.

"Oh yeah," Dana moaned again as her bed-springs continued creaking. Carol's finger slid in and out of my pussy while she explored my breasts with her mouth. Suddenly there was a flash of discomfort as Carol tried to fit three fingers into my virgin pussy; my moans became a sharp cry.

"I'm really tight down there," I explained, blushing as Carol pulled her hand away.

"Did that hurt? Well, I'm just going to have to kiss it and make it all better."

My heart was pounding as I felt her hot breath on my thighs. She parted my legs, leaving my hot pussy open and exposed to her mouth.

Dana cried out again just as Carol gently kissed my inner thighs and licked the droplets of dewy love-juice soaking my thick, curly bush.

"Mmmm...you taste so good, Rachel."

"Ohhh...yeah. Rest a while, baby," Dana purred loudly to her football player.

Carol, on the other hand, went to work fast and furious, teasing the swollen lips and throbbing clit with her talented tongue. I moaned loudly, arching back to grind my pussy into her eager face. The air was filled with the hot fragrance of my arousal as Carol sucked at my pearl. I clawed at her shoulders, pulling up her negligee. She paused long enough to let me yank it over her head and toss

bubble-gum-pink pussy-lips. The musk of her sweet young pussy blended with mine and permeated the room with the hot smell of sex.

If the smell was intense, the taste was even more intoxicating. I growled like an animal as I thrust my tongue deep inside her. She grabbed me, shoving my face against her open hole as I lapped furiously at her hairy slit and pouty lips.

"Oh yeah, Rachel, yeah, that feels so good.!"

"All right!" I heard Dana's football player exclaim. Dana said something in response but I couldn't hear it; Carol's legs were wrapped tightly around my ears as she rubbed my face with her throbbing, nearly thumb-sized clit. I

caressed her hot pink bud with my lips and licked it hard, digging my nails into her soft legs as she bucked and writhed.

"Yeah, oh yeah, lick me, Rachel, lick me."

I wrapped my legs around hers and began humping her thigh as I gave her pussy a tongue-bath. The friction of her soft flesh pressing against my blood-engorged pussy combined with her musky scent and the salty-sweet taste of her dripping

pussy drove me to new heights of burning lust. Carol trembled in time with my lapping tongue, grinding her knee into my pussy as her orgasm began. The added pressure sent me over the edge, and we came together in a tangled mass of sweaty, screaming, satisfied female flesh.

And that's how Carol and I first decided we were bisexual. We're pretty open about it on campus. At first some people were shocked, but it seems most guys don't have any problem with bisexual girls...especially not when they're looking for a threesome. Carol and I have played with a couple of jocks (we seduced Dana's football player the next weekend; she hasn't spoken to either of us since), but we've been reserving most of our attention for each other. Guys are nice...and after Dana's football player got my cherry, I discovered that sometimes there's nothing like lying on your back with your legs in the air while a big, stiff cock stretches out your pussy...but Carol's tongue and fingers get me off quicker than any boy I've found yet. Carol has been my best friend for as far back as I can remember; since that night, she's been my best lover as well.

it to the floor, then returned anew to licking.

With expert strokes she coaxed my little boatman from its hood, then pressed on it gently with the flickering tip of her tongue. The feeling of my best friend's mouth on my pussy was like nothing I had ever experienced before; electric ripples of joy sparkled through me. When she embellished her oral work by sliding her skillful finger deep into my hole, it sent me over the edge, and the electric ripples rose into a screaming, shuddering orgasm.

"What's going on over there?" I heard Dana ask her football player as the exploding lights receded and I slowly returned to earth. I didn't hear his answer but I didn't really care; the only thing that mattered to me right now was pleasing Carol like she had just pleased me. The musky tang of my pussy on her lips as we sat kissing made me wild with desire. I threw her back onto the bed with one hand and with the other ripped off her panties.

"You're awfully excited," Carol giggled.

I threw her legs open, parting her sparse blonde thatch of hair and exposing her moist,
